Our Mission and Purpose:

Founded in 1980, the Brandon Regional Health Centre Foundation is an independent, non-profit, volunteer-driven organization.

The Brandon Regional Health Centre Foundation's purpose is to raise funds to help meet community healthcare needs. The Foundation relies on donations from individuals, organizations and businesses as well as from monies raised during signature events such as the Annual Gala Dinner and the Tree of Lights Pancake Breakfast, and through community fundraising initiatives. These donations help fund a variety of purchases, programs and projects for all who are served by the Brandon Regional Health Centre.
